TOKYOPOP®

From the Realm of Avalon

Fanta

A gorgeous faeris from the mystical realm of Avalon. After her magical winged gown was accidentally torn, Fanta had no choice but to stay on earth until it had mended itself. Much to Ryang Jegal's delight—and frequent dismay—she now lives with him.

Lady Samsin

At 5,000 years old, Samsin is the oldest of the gods. She oversees all the births in Avalon and lately has been seen conspiring with the King of Avalon. To what ends, however, is unknown.

Goodfellow

An impish, Pan-like creature from Avalon who speaks in rhyme. It was Goodfellow who introduced Ryang to Fanta. Among his many quirks, Goodfellow has a strange fetish for women's underwear.

Oreadia

Also known as Lady Oran, Oreadia is Fanta's very powerful mother. Oreadia's relationship with Fanta is complicated. While she loves her daughter, she also resents Fanta as a symbol of her indiscretion with a human.

Charon

As the right-hand man of the King of Avalon, Charon overlooks all the important administrative duties in Avalon. He's also Medea's older brother.

Medea

Fanta's devious and ambitious rival. Medea aspires to be the Queen of Avalon and was the faerie responsible for condemning Ryang to a string of 108 bad relationships.

Bast

This southern-drawl-sporting cat goddess has proven to be one nasty little nuisance for Fanta and Ryang. Bast is working for Oreadia and has teamed up with Yuri Kim.

Spirit Forces

These three elemental spirits live in Ryang's skateboard. (Don't ask.) They answer to the names Zero, Gabya and Nyrekes, except when Ryang's calling them. Then they don't answer at all.

The King of Avalon

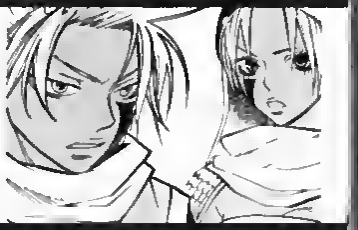
The head heavenly honcho. The King of Avalon is in love with Fanta, much to Medea's dismay. He's also been secretly conspiring with Lady Samsin on something nasty, but what that is has yet to be revealed.

Pain

A flamboyant faerie in every sense of the word, Pain is Avalon's royal inspector and Fanta's brother.

Camaxtli and Nina

These two siblings are the royal guards of the King of Avalon. Camaxtli, aka Max, is somewhat feather-brained, but luckily for him and all of Avalon, Nina is by his side to guide him straight.



From the Realm of Man

Ryang Jegal

Our hapless bandanna-wearing human protagonist. Ryang's been harboring Fanta, a fetching faeris who's been grounded on earth. Due to a magical curse, Ryang must suffer through 108 doomed relationships. And you thought YOU were unlucky in love...

Kang Jegal

Of the three Jegal boys, Kang is the middle child and as difficult as it may be to believe, has an even WORSE attitude than Ryang. Currently serving his mandatory military service, Kang recently returned home on vacation.

Mungyeong Seong

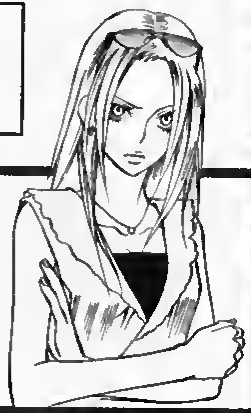
Ryang's best bud, and boy is he ever a sucker for pretty girls. Lately, Mungyeong's been feeling a bit jealous that every girl in school seems to be falling for Ryang.

Yuri Kim

A former flame of Ryang's, Yuri Kim is the very definition of "psycho ex." She has two Japanese-speaking thugs that accompany her everywhere and has now teamed up with Bast, who intends to create an evil spirit by using Yuri and Kang Jegal as hosts.

Daecheol and Yuna

Two of Ryang's closest friends. Currently a couple, they always manage to match him up with Yusin.



Yusin Min

Gracing us again with her presence, Yusin is the only girl from Kyang's 108 evil affinity fiasco who ended up really falling for him.

Seunggyu

Kang's friend

Jinyeong

Kang's ex-girlfriend

Hun Jegal and Taeyeong

Hun is Ryang's older brother, and Taeyeong is Hun's lovely wife. Ryang currently lives with them.

Sino and Sindo

Hailing from ancient Korea, Sindo is a kind woodcutter and his half brother Sino is a corrupt village lord. Although Sindo acts as father to Oran's children, Sino is their biological father.

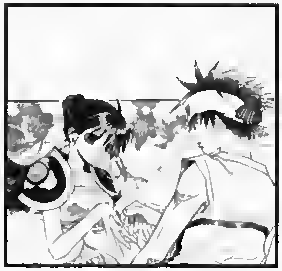
STORY SO FAR...

Meet Ryang, an average, everyday high school student. Ryang lives in Faeries' Landing, a small suburban town in Korea.

One day, Ryang met Fanta, a powerful (and pretty cute) faerie. Fanta wants nothing more than to experience human life, and since meeting Ryang, she has—as his roommate.

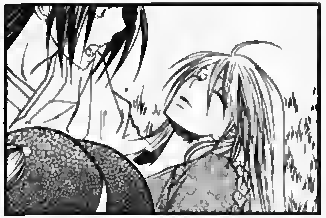
Ryang has a problem. After he accidentally confused a faerie serum with eye drops, he found himself cursed. Any girl he looks in the eye becomes a host for an "evil affinity." This is destined to happen 108 times in his life.

If that weren't bad enough, Fanta finds out her mother, Oreadia, has been trying to kill her.

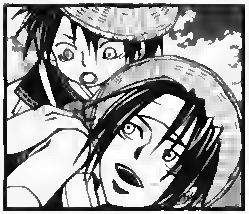


To understand why her mother seems to hate her and her father, Fanta casts a spell to send Ryang and her back in time to when her parents first met.

There they meet Sindo, the woodcutter Oreadia is destined to marry and his evil brother, Sino. As the head honcho of the village, Sino is used to having everything his way.



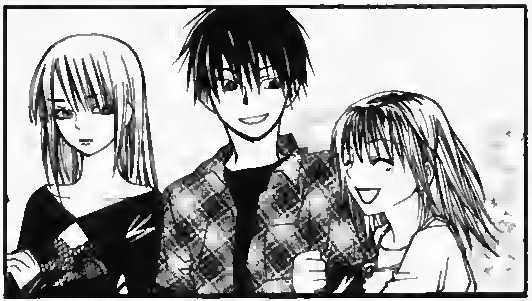
Sino rapes Oreadia when she descends to Earth, but kindhearted Sindo takes her in as Oran after he finds her passed out without her memory or winged gown.



Sindo, Oran and their son Pain form a small but happy family. That is, until Sino switches bodies with Sindo to rape Oran again and impregnate her with Fanta.

Oran's memories and coldness are restored as she calls for her robe. Regaining consciousness as Oreadia, she takes her children away to Avalon but gives Sindo an ultimatum—if he wants to be with his family, he must kill Sino.

Meanwhile, in Avalon, the King is cooking up something sinister. The main ingredient must be one prime minister, because he knocks Charon unconscious and kidnaps him.



And in present time Korea, Mari is up to her old tricks to turn the Jegal brothers against each other to get what she wants. She must have Ryang. Dead or alive.
